Dear Prakash,

Cancer Research UK's Business Supporters' Celebration Event 2009

Cancer Research UK is delighted to be hosting our annual Business Supporters' Celebration Event on Tuesday 28<sup>th</sup> April 2009 at Lloyd's of London. Our event gives us the opportunity to meet with, and thank, our corporate supporters who play such an integral part in helping us to beat cancer.

Thank you so much for your nomination into the Best Supplier award category. This year the competition was very fierce and our judges found it really hard to choose between the excellent nominations. I'm delighted to inform you that your nomination has been shortlisted- congratulations! The winner of the award will be announced at the Celebration Event.

Cancer Research UK is very appreciative of the amazing impact that the Austin Company of the UK Limited has had in 2008; you've really made a massive difference in helping fund our life-saving research. In particular the delivery of our world-class bio therapeutics facility on time and ahead of budget was a brilliant achievement.

We do hope that you are planning to join us for the evening to celebrate the outstanding achievements that you and our other business partners have had in 2008.

We look forward to seeing you on the night.

Best Wishes,

Terry Mills
